In this video, we are introduced to the newly formed Build A Spartan Foundation: A non-profit organization dedicated to the support of the Mid-Valley School District in the areas of Academics, Arts and Athletics. The Foundation funds innovative programs that offer Mid-Valley Students unique depth and breadth to their educational experience. As we work to build a substantial endowment, we understand the importance of educating the youth of our future.

And yes I did copy that right from the mission statement.

And yes I'm allowed to do that because--and this is one of those full disclosure kind of things-- my wife and I are on the board of directors.

President Donald Healey Jr. is the master of ceremonies at this event, which presented the prizes to the winners of our Logo contest. The students were asked to draw a Spartan that represented their grade level. There were three categories: Elementary, Secondary, and High School. The winning drawings will be incorporated into our logo. Each won \$500 which was donated by an anonymous donor. And the winners were:

- Chase Bilinski - Elementary
- Vanessa Mancuso - Secondary
- Nicole North-Mozda - High School

We sincerely thank them for sharing their talents and their efforts with us.

Look for a lot more from the Build A Spartan Foundation in the near future!
